### Slaughter Pig Marketing Summary

This week
The hot weather experienced this week was a double edged sword – it stifles pig growth but encourages demand for barbeque products. Most of the majors found supply wanting with slaughter pig entries down on previous weeks. Contract prices improved again with some weekly contributions up 1p. The fresh meat market was in a more buoyant mood with encouraging barbeque demand from the high street. Cull sow supply tightened and prices benefitted from a weaker sterling adding a penny or so. In Europe, prices in Spain continued to rise on the back of good exports, and Holland added another eurocent. All quotes in sterling were further enhanced by a stronger Euro which ended the week up 0.35p at 87.80p.

### Weaner Marketing Summary

w/c 18/06/17
Supply improved again, with numbers swelled by a number of one off batches from breeder feeders wishing to ease on farm space issues. Demand was better satisfied. The prices announced by the AHDB saw the weighted average for a 30kg pig rise by £1.32 to £60.86 and the weighted average for a 7kg rise by 10p to £43.96.
