Europe stood on but when converted to sterling European prices went up! The sow price also stood on. Some very big pigs about must mean pigs are growing well! Will the colder weather forecast this week curtail this? The SPP sample showed weight and probe eased a fraction again. The sample size was also up by 2,000 pigs the largest since this time last year.

Not long now until the calendar changes and the big processors will drop back their kills. Reliability as these plants are pushing their kills has been more problematic. With the National Pig Awards tonight and the protest against the government's budget change on inheritance tax for landowners the trains could be busy with farmers heading to London.
